

ESTATE GARDENS BY VALLEYCREST LAUNCHES IN DALLAS

Outdoor living trend drives increase in business

CALABASAS, Calif., September 8, 2008 ~ ValleyCrest Companies, the leading national full-service landscape firm with \$1 billion in revenue, today announced that they will be re-branding the residential design-build efforts in the Dallas area under the ***Estate Gardens by ValleyCrest*** name. Providing seamless design-build services, Estate Gardens by ValleyCrest offers luxury residential landscape services to homeowners, architects, developers and building contractors.

The Dallas team brings an exceptional amount of talent and experience to the residential landscape marketplace. They will continue to develop and market residential landscape design and construction services as they have done successfully for many years.

“We expect the Estate Gardens by ValleyCrest brand to demonstrate our vision to exceed customers’ expectations of outdoor living spaces. By becoming their most trusted landscape partner, we can create gardens of immense beauty that reflect the homeowners’ lifestyle and help boost their property value,” said Sam Raisor, manager of the Dallas Estate Gardens branch.
